Our Community Prayer this Week

- Generous God, open our eyes to the bounty you have provided and help us be truly grateful.

Our Prayers for the World

- Pray in thanksgiving that the fire west of Water Valley has been contained. Pray also in thanksgiving for our director Jon whose clear communication last week calmed our fears while still prompting us to pray. Pray for all those impacted by the wildfire in Jasper and for the firefighters working to contain fires in our province and beyond.

Mennonite Church Alberta 2024 Prayer Request for August Please pray with and for Calgary First Mennonite Church

- Our prayer at Calgary First Mennonite Church is to be daily transformed by our God; to face our failures of yesterday, to be forgiven, and to be called into the new day God has given us. It is always our hope in prayer to see and love God, ourselves, our neighbours, and all of creation as God does. And as a community, we continue to wrestle with understanding how we are called to both encounter and embody Jesus with the particular questions, problems and limits we face in this time and place. Yet, we know the opportunity to be able to do this together is a gift from God for which we always give thanks.

We ask our MCA family to pray for us in our journey as fellow disciples. But we also have particular burdens, fears and concerns that face individuals in our community. Pray for those of us who are undergoing health concerns of various kinds, whether they be mental, relational, physical, or spiritual. Please pray for many of us who are at various points in the process of grief and loss. And pray for the families we have been sponsoring over the years, and as we discern our participation in refugee sponsorship going forward.
