Scripture: II Timothy 3:14-17, read by Dixon

Children's Feature: Joyce Baergen

Children's Church: Ronky Snogba

Our Shared Prayer

- Prayer for Epiphany:
O God,
You spoke Your word
and revealed Your good news in Jesus, the Christ.
Fill all creation with that word again,
so that by proclaiming Your joyful promises to all nations
and singing of Your glorious hope to all peoples,
we may become one living body,
Your incarnate presence on the earth.
Amen.

Mennonite Church Alberta 2026 Prayer Requests for January *Please pray for churches across the province and the world*

- Throughout history, God has called forth leaders to use their ministry gifts in service to the church. Presently, three MCA congregations are **searching for pastors**. Please pray for Trinity Mennonite, First Mennonite Calgary, and Bergthal Mennonite, and their search committees for wisdom and discernment. Please also pray for potential candidates as they seek God's will in their search for a new congregation, and MCA and MC Canada leadership as they support the discernment process.
- Please keep the **Edmonton South Sudanese Mennonite Church** in your prayers. Many have relatives living in the Gambella region of Ethiopia, where unrest has claimed over 100 lives in recent weeks.
- **Christians in Palestine** continue to live in great trepidation. In Gaza, military incursions and blockage of aid continue. In the West Bank and East Jerusalem, settler attacks are increasing with impunity. Let us pray for resilience, hope, and bold witness in the face of genocidal violence and ethnic cleansing.
(from MC Canada Palestine-Israel Network)
- Please pray for peace and wisdom for government and military leaders in **Thailand and Cambodia** as tensions escalate with land mines and aerial bombardments in the region. Tom and Christine Poovong are asking for your prayers as they again host evacuees

Mennonite Life and Church Activities

- Register for the Calgary Winter Weekend on January 24-25, at The Foothills Mennonite Church <https://campvalqua.ca/events>
